

# Prevent West Nile Virus

Eliminate common backyard mosquito breeding sources

Clean and maintain swimming pools

Clear leaves from rain gutters regularly

Cover open boats

Dispose of Tires Collecting Water

Empty water from plant saucers

Fix leaking watering equipment

Report dead birds by calling (888) 551-INFO

Keep screens on windows and make sure they are in good repair

Stock decorative ponds with mosquitofish (provided free by calling 658-694-2888)

Empty anything that can hold water for more than a few days

Clean birdbaths once each week

Clear leaves and other yard debris away from gutters and storm drains

## Protect Yourself from Mosquito Bites

Wear long, loose and light colored clothing.  
Insect repellent containing DEET effectively repels mosquitoes.  
(Contact your doctor if you have questions about repellent safety.)
